O R D E R

On October 30, 1990, East Kentucky Utilities, Inc. ("East Kentucky") filed an application for rehearing seeking approval of its purchased gas adjustment ("PGA") clause which it believes was inadvertently omitted from the Commission's Order issued October 10, 1990 and approval of revised tariffs previously submitted to the Commission by application dated October 4, 1990.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds that:

1. East Kentucky's application of January 2, 1990 and February 16, 1990 did not propose any modification to its PGA clause then in effect. The rates authorized in the Commission's final Order of October 10, 1990 included all PGAs approved from the date of filing to October 10, 1990. East Kentucky's PGA clause was not specifically mentioned in the final Order and would, therefore, remain the same as that previously in effect under the authority of the Commission.

2. On November 5, 1990, the Commission issued its Order approving the PGA requested by East Kentucky in Case No. 90-002-A.<sup>1</sup>

3. The issues for which East Kentucky seeks rehearing have been addressed in previous Orders of this Commission rendering the request moot.

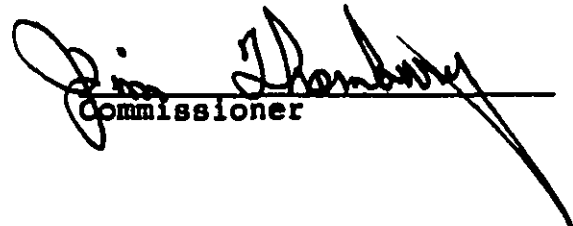

IT IS THEREFORE ORDERED that East Kentucky's application for rehearing be and it hereby is denied.

Done at Frankfort, Kentucky, this 19th day of November, 1990.
